

Belmont Department of Public Works Open House

Celebrating National Public Works Week

The week of May 16 – 22, 2010 is National Public Works Week.

The American Public Works Association assists communities in recognizing National Public Works Week as a celebration of the tens of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as Public Works.

The Belmont Department of Public Works is celebrating National Public Works Week by inviting the public to an open house at the DPW yard at the end of C Street on Saturday, May 8th from 10:00am to 2:00 PM (rain date Saturday, May 15th same time). Please join us and bring the family to meet Public Works employees, see heavy equipment, ask questions, collect recycling and water conservation information. Cold drinks, balloons and coloring books for the kids! Please join us for a fun afternoon.

For questions please call the DPW office at 617-993-2680.
