

## **Private Swim Lessons**

The Recreation Department offers private swimming lessons during public swim hours. Private lessons provide individualized instruction to students allowing them to learn at their own pace. Our trained instructors work one-on-one with the student to help them achieve various swim skills. Lessons are available for beginner through competitive swimmers.

The cost is \$30 for a 30 minute lesson for a single student. For a semi-private lesson, which consists of two students, the cost is \$45 total. For a group of three, which is our maximum for private lessons, the fee is \$55 total. Lessons are sold in packages of four and eight. A current season recreation membership is required for admission to the pool.

For more information or to arrange a time for lessons, please call 617 993-2760. (Note: openings are limited and are based on pool space and instructor availability.)

### **Change in policy as of January 2008:**

The above description reflects a recent change in Recreation Department program policy. The change was made to help all Belmont residents become aware of this swim lesson option, to communicate a standardized selection of costs and services, and to ensure instructors, students and the town are covered for insurance liability. The new policy does not change the payment an instructor receives and current students will be able to continue working with their same instructor. If you are interested in learning how to become a registered private swim instructor or for more information on private lessons, please call the Recreation Department 617 993-2760.
