

TAXPAYER'S GUIDE TO LOCAL PROPERTY TAX DEFERRALS

SENIORS Clause 41A

The Department of Revenue (DOR) has created this fact sheet to provide general information about local property tax deferrals for seniors. **It is not designed to address all questions or issues and does not change any provision of the Massachusetts General Laws. To find out about the specific eligibility and application requirements in your city or town, you must contact your local board of assessors.** The DOR cannot determine your eligibility or give you legal advice. Property taxes are assessed and collected by cities and towns, not by the DOR. Under state law, only your board of assessors, as the local tax administrator, can decide whether you qualify for a deferral. If you disagree with its decision, you may appeal to the state Appellate Tax Board (or county commissioners if your county's government has not been abolished).

INTRODUCTION

Cities and towns may give property tax exemptions to some individuals as defined by state law. An exemption discharges the taxpayer from the legal obligation to pay all or a part of the tax assessed for the fiscal year. Exemptions are found in various clauses of Massachusetts General Laws Chapter 59, Section 5 ([M.G.L. c. 59, § 5](#)).

Under Clause 41A, seniors may also be able to **delay payment** of their property taxes. A property tax deferral does not discharge the tax obligation like an exemption. Instead, it defers payment until the senior sells the property or passes away. A deferral allows seniors to use resources that would go to pay taxes to defray living expenses instead. Taxpayers who qualify for personal exemptions under other clauses in M.G.L. c. 59, § 5 (for example, for seniors, disabled veterans, blind persons or surviving spouses) may defer all or part of the balance of their reduced taxes.

If you qualify, you must enter into a written tax deferral and recovery agreement with the local assessors. The assessors will record a statement at the Registry of Deeds to continue the lien that exists on your property by law to secure payment of the deferred taxes. Joint owners, remaindermen and mortgagees must give prior written approval.

APPLICATIONS
You must file an application for each fiscal year with the assessors in the city or town where your property is located. The application is due on April 1, or three months after the actual tax bills are mailed, whichever is later. <i>Filing on time is required. By law, the assessors may not waive this filing deadline, nor act on a late application, for any reason.</i> Filing an application does not entitle you to delay your tax payment.

For more information, please contact your local assessors.

As of that date, the interest rate goes up to 16%. If 6 months later, the deferred amount has not been paid, the treasurer may petition the Land Court to foreclose the lien on the property.</p>

APPEALS	
<p>Appellate Tax Board</p>	<p>The Appellate Tax Board (ATB) is an independent, quasi-judicial state board that hears taxpayer appeals from local assessors' decisions on property tax abatements and exemptions. If county government has not been abolished, appeals may be made to the county commissioners instead, but assessors may and usually do transfer those appeals to the ATB. ATB decisions may be appealed to the Appeals Court and, ultimately, to the Supreme Judicial Court.</p> <p>You can obtain the ATB's guide to the property tax appeal process from its website (www.mass.gov/atb) or by calling 617-727-3100.</p>

Appeal of Action of Assessors	<p>You have three months from the date of the assessors' decision on your deferral application to appeal to the ATB. This includes decisions to deny a deferral or to grant a deferral of a lesser benefit. If the application was deemed denied, your appeal must be filed within three months of the deemed denied date. As a general rule, if the real estate tax on your domicile is over \$5,000, you must also have paid all preliminary and actual tax installments on time for the ATB to hear your appeal.</p> <p>The assessors may grant the deferral or higher deferral in final settlement of your application during the three month period for filing an appeal. In that case, you do not have to have filed an appeal with the ATB. However, if a settlement is not reached and a deferral not granted during that period, you must have filed your appeal by the deadline. If not, the ATB cannot hear the appeal.</p>
