

BOARD OF CEMETERY COMMISSIONERS
May 19, 2017 7:30 AM Minutes
Belmont Town Hall, Conference Room 1

RECEIVED
TOWN CLERK
BELMONT, MA

DATE: August 31, 2021
TIME: 3:38 PM

AGENDA

Members attending: Bill Chemelli, Alex Corbett, Ellen Cushman

Others attending: Frank Sartori DPW Cemetery and Mark Mancuso, DPW Water Mgr

Discussion regarding the potential need to move the water meter to Concord Avenue, from its current location, in the Orchard Zone. There were potential freezing issues and the difficulty of maintaining and working with it, in its current location. There were potential, wasteful leaking going on as well.

It was agreed that the meter actually did NOT need to move out to Concord Avenue.

It was agreed that an above ground containment structure would work, keeping the meter and its components, in the same location whilst being much easier to maintain.

Alex will speak to one of Flett's vendors about getting a visually pleasing concrete structure, possibly adding a stone veneer facing, to make it more visually acceptable.

Meeting adjourned at 7:55 AM
Respectfully submitted,

Alexander E. Corbett, III
