Motion carried. Minutes of the 11/18/2021 ITAC meeting approved as amended.
Paul Roberts reported on a meeting he and David Goldberg had with Dave Petto and Steve Mazzola on December 10 regarding the questions raised by the Structural Change Impact Group (SCIG). Dave Goldberg gave a read out of his notes from the meeting. Dave Goldberg will send his notes to the SCIG and offer to meet with them again.
Paul Roberts reported that the Web Site Renewal Committee is preparing to submit its final report to the Select Board. At its last meeting the committee voted to recommend that the town put out a request for a quote for a web hosting provider.
Glenn Wong reported that he has coordinated with Steve Mazzola to get a tour of the high school for ITAC tomorrow (17 December 2021) at 10AM.
Phil Lawrence asked if we can get a read out from the Town IT on Belmont's response to the recent log4shell vulnerability/exploit issue.
