Meeting called to order at 7:10PM

Jeff Hansell of the Belmont Media Center expressed interest in our report and
suggested that BMC might be able to help with implementation if a decision is made
to go forward with enabling remote access to committee meetings.

Minutes of the 29 November 2018 21st Century Government subcommittee approved as
is.

We spent the meeting reviewing survey results and outlining the report.

Next subcomittee meeting scheduled for Thursday, 13 December 2018 at 7PM

Meeting adjourned at 8:31
