BELMONT, MA**

DATE: December 30, 2021
TIME: 2:04 PM

DESIGN PROJECT REVIEW PROPOSAL

Bill Lovallo passed out for discussion his "Design Project Review Proposal"

This proposal consisted of three sections

Past Project User Reviews:

This section of the proposal would bring town officials involved in completed projects to comment on what went well, what did not and to provide input on future projects.

The BPBC is scheduled to meet on Tue. May 1 at 7 PM with Kevin Looney (Senior Center) Dave Frizzell (Fire Station) and Fred Domenici (Wellington School) to discuss the issues.

Department Head Discussion

All Town Department Heads should be involved with future town projects.
Add to the list: Light Dept. – Town Manager – Water Dept
Better communication is required between all town depts. and the building and design teams during design and construction of projects.

Other Discussion Topics

A number of issues are to be discussed: Security, GREEN proposals, etc

SOLAR ROOF PROJECTS

A proposal to attach solar roof panels to the Senior Center roof is now in progress.
The PBC would like to meet with Roger Colton to discuss the SolSolution project.
The PBC has scheduled a meeting on Thur Mar 22 at 8:00 AM at the Town Hall

NEXT MEETING

Tue. May 1 7:00 PM Town Hall Building
