MEMORANDUM:

TO: All Town Meeting Members and Belmont Residents

FROM: David J. Kale, Town Administrator 

DATE: October 1, 2014

SUBJECT: Informational Meetings scheduled by the Belmont Board of Selectmen – Former Incinerator Site

The Board of Selectmen has organized another informational “Precinct Meeting” to provide updated information to Town Meeting Members about the former Incinerator Site on Concord Avenue.

As you are aware, the Board of Selectmen submitted legislation to the State Legislature to allow this State-owned property to be conveyed to the Town of Belmont for Public Works, Recreational or other Municipal Uses. This legislation was approved as Chapter. 11 of the Acts of 2014, subject to the Town and State completing the required regulatory process for this type of land transfer. The Town is now coordinating with the State to execute this conveyance.

The Board of Selectmen invites Town Meeting Members and residents to a presentation and discussion of possible post-closure uses for the former Incinerator Site. Identification of the Town’s desired post-closure uses will be a critical element helping to drive the final design of a permanent capping of the site.

The meeting is scheduled for:

Monday, November 3, 2014 from 7:00-9:00 p.m. at the Chenery Middle School in the Auditorium.

During this informational session, Town Meeting members and others will have the opportunity to provide feedback and to share specific issues or concerns related to this topic; we hope you are able to attend. Please feel free to email any questions that you or your constituents may have to selectmen@belmont-ma.gov prior to the meeting so that we have an opportunity to provide answers at the meeting. Should you need more information, please contact the Board of Selectmen/Town Administrator’s Office at 617-993-2610. No RSVP is required for this meeting.
