

**Do you love computers?
The Belmont Recreation Department and Jr Coding is offering an
Foundations Coding Class
for kids..**

Grades 4-6

Tuesday, February 16th - Friday, February 19th 9am-11am

Location: Butler Elementary school (Cafeteria)

**Cost: \$275 please make checks payable to JrCode Academy
Computers are provided but feel free to bring your own.**

This is a great introduction into the basics of computer coding. jrCode utilizes the Scratch platform to teach kids the fundamentals of programming. Students will be challenged to learn the basics of coding, including algorithms and analytical problem solving, while completing games and projects are so creatively fun, they will be shocked how much they learn. No previous experience or class requirements are necessary.
