7:07 p.m. Meeting called to order

The meeting began with the Director providing an updated report on the school year programs.

The closing week-end schedule for the youth hockey programs is set for March 12 and 13 at the rink. The annual cookout and awards presentation will highlight the weekend.

The Nashoba Ski Program concluded for 2005 on March 5. After 2 postponements during the first 3 scheduled weeks, the weather was fairly good for the next 5 Saturday nights of the program.

A second session of the Children's Musical Theater production of Mary Poppins has been added for the Spring. This will allow us to accommodate everyone on the waiting list for this popular program.

The All Sports Camp during the February vacation week was successful. A total of 29 children registered.

Registration for all spring and summer programs has started. The Department is utilizing a new website, MassCamps.com, for additional publicity this year.

Two projects involving the rink were discussed. One is the Capital budget request to install handicapped accessible restrooms at the facility. The other item is a regular budget request for a new sound system there.

A discussion was held on the budget for the next fiscal year. The revenue total for the current year and projections for the future were also discussed by the members.

The Department will be sponsoring a Lifeguard Training course beginning on March 28.
