Continued discussion of STM/ATM Articles

ATM Article 10 Position Classification

This article will be deferred to the May Town Meeting.

Although Diane Jenkins was not in attendance, Member Brusch explained that the changes reflected non union pay changes. The pay ranges change each year. This reflects FY06 salaries since this is voted retroactively, not proactively. All union salaries changes had already been negotiated. The group questioned the point of voting this after the fact. Motion by Hofmann to abstain since there is no informational basis and our vote would have no impact since this was a retroactive vote. This should be addressed beforehand. Raises above the midpoint are based on merit. There was a unanimous vote to abstain.

Other

Regarding Wetlands Article, the Committee discussed whether they wanted to deal with this article at the May TM. The WC is not in favor of tabling the article until that time.

Member Heigham moved adjournment at 6:47 p.m.

The next meeting will be: May 3, 2006, at Chenery Middle School, Community Room at 7:30 p.m.
