Discussion of Town Day - artsBelmont offered to allow BCC to co-op a table. Discussions of items on table and to include "Call for Artists." Also discussion of sign for Gallery.

Gallery - Banner and web site discussed. Progress being made on web site - banner to be made in time for Town Day.

Discussion about PR for BCC in general. Idea to appoint an internal PR position. BCC also decided it needed an internal calendar to manage events.

Membership issues - Nan Rogers is stepping down. Looking for new members, with a focus on diversity. A question was raised about the level of participation of the council in recruiting new members, as the membership of the BCC does not wish to overstep its authority, but would like to be involved in solicitation and selection of members. Council thought around 12 members is a good number, as it is an active council.
