Re: Town of Belmont acceptance of Green Communities Designation

Dear Ms. Capone:

On behalf of the Belmont School Department we are committed to achieving the 20 percent energy use reduction goal of the Town of Belmont. The School Department has worked in collaboration with the Belmont Facilities Department and other town departments to develop the Belmont energy use reduction plan and will continue to collaborate on the implementation of the plan.

We are also committed to complying with the Green Communities vehicle efficiency guidelines.

Sincerely,
