

One week lookout, week beginning June 6th

Belmont Center project:

- Grading, forming and pouring cement concrete walk at the Locatelli property (*Not expected to impact traffic. On-Street parking in front of Foodies Market will be limited at times as the contractor works there during the hours of 7 AM to 3:30 PM*)
- Pouring the scored cement concrete and brick base in the roadway adjacent to Belmont Savings (*Leonard Street extension in front of Belmont Savings Bank remains closed to traffic and parking; no additional impacts to traffic or parking anticipate*)
- Continue with brick border installation at various locations (*No Traffic or Parking Impacts- The work is to be performed in areas where parking is prohibited normally*)
- Continue with tree planting and landscaping at various locations (*No additional traffic impacts are expected. The planting of the trees to be accomplished to work in areas outside of high traffic volume during peak traffic hours. At times, parking will not be available directly in front of the tree being planted for a length of time of approximately 30 -60 mins.*)
