

One week lookout, week beginning August 1st.

Belmont Center Project:

Excavate, form and pour remaining scored concrete and brick driveway in front of Belmont Savings Bank/Leonard Street Extension at the parking garage entrance. (This section is closed to vehicular traffic and parking, however, the parking garage for bank customers is open and the driveway is accessible.)

Monday (8-1-16), Tuesday (8-2-16) and Wednesday(8-3-16) intermediate surface paving of all areas with project limits. (Refer to the schedule provided on the town website for details about traffic and parking restrictions. More information available on the town website.
