# Information and Instructions

Massachusetts General Laws chapter 152 requires all employers to provide workers' compensation for their employees. Pursuant to this statute, an *employee* is defined as "...every person in the service of another under any contract of hire, express or implied, oral or written."

An *employer* is defined as "an individual, partnership, association, corporation or other legal entity, or any two or more of the foregoing engaged in a joint enterprise, and including the legal representatives of a deceased employer, or the receiver or trustee of an individual, partnership, association or other legal entity, employing employees. However, the owner of a dwelling house having not more than three apartments and who resides therein, or the occupant of the dwelling house of another who employs persons to do maintenance, construction or repair work on such dwelling house or on the grounds or building appurtenant thereto shall not because of such employment be deemed to be an employer."

MGL chapter 152, §25C(6) also states that **"every state or local licensing agency shall withhold the issuance or renewal of a license or permit to operate a business or to construct buildings in the commonwealth for any applicant who has not produced acceptable evidence of compliance with the insurance coverage required."**

Additionally, MGL chapter 152, §25C(7) states "Neither the commonwealth nor any of its political subdivisions shall enter into any contract for the performance of public work until acceptable evidence of compliance with the insurance requirements of this chapter have been presented to the contracting authority."

## Applicants

Please fill out the workers' compensation affidavit completely, by checking the boxes that apply to your situation and, if necessary, supply your insurance company's name, address and phone number along with a certificate of insurance. Limited Liability Companies (LLC) or Limited Liability Partnerships (LLP) with no employees other than the members or partners, are not required to carry workers' compensation insurance. If an LLC or LLP does have employees, a policy is required. Be advised that this affidavit may be submitted to the Department of Industrial Accidents for confirmation of insurance coverage. **Also be sure to sign and date the affidavit.** The affidavit should be returned to the city or town that the application for the permit or license is being requested, **not** the Department of Industrial Accidents. Should you have any questions regarding the law or if you are required to obtain a workers' compensation policy, please call the Department at the number listed below. Self-insured companies should enter their self-insurance license number on the appropriate line.

## City or Town Officials

Please be sure that the affidavit is complete and printed legibly. The Department has provided a space at the bottom of the affidavit for you to fill out in the event the Office of Investigations has to contact you regarding the applicant. Please be sure to fill in the permit/license number which will be used as a reference number. In addition, an applicant that must submit multiple permit/license applications in any given year, need only submit one affidavit indicating current policy information (if necessary). A copy of the affidavit that has been officially stamped or marked by the city or town may be provided to the applicant as proof that a valid affidavit is on file for future permits or licenses. A new affidavit must be filled out each year. Where a home owner or citizen is obtaining a license or permit not related to any business or commercial venture (i.e. a dog license or permit to burn leaves etc.) said person is NOT required to complete this affidavit.

**PART I** ADMINISTRATION OF THE GOVERNMENT**TITLE XX** PUBLIC SAFETY AND GOOD ORDER**CHAPTER 140** LICENSES**Section 58** Classes

Section 58. (a) Licenses granted under sections 59 and 59A shall be classified in accordance with subsections (b) to (d), inclusive.

(b) Class 1. Any person who is a recognized agent of a motor vehicle manufacturer or a seller of motor vehicles made by such manufacturer whose authority to sell the same is created by a written contract with such manufacturer or with some person authorized in writing by such manufacturer to enter into such contract, and whose principal business is the sale of new motor vehicles, the purchase and sale of second hand motor vehicles being incidental or secondary thereto, may be granted an agent's or a seller's license; provided, that with respect to second hand motor vehicles purchased for the purpose of sale or exchange and not taken in trade for new motor vehicles, such dealer shall be subject to all provisions of this chapter applicable to holders of licenses of Class 2, except subsection (c), and to rules and regulations made under those provisions; and provided further, that such dealer maintains or demonstrates access to repair facilities sufficient to enable him to satisfy the warranty repair obligations imposed by section 7N1/4 of chapter 90, and shall remain liable for all warranty repairs made and other obligations imposed by said section 7N1/4 of said chapter 90.

(c) Class 2. A person whose principal business is the buying or selling of second hand motor vehicles, a person who purchases and displays second hand motor vehicles for resale in retail transactions, and any other person who displays second hand motor vehicles not owned by him pursuant to an agreement in which he receives compensation, whether solely for displaying the vehicles, upon the sale of each vehicle, or otherwise, may be granted a used car dealer's license and shall be subject to the following conditions:

(1) The person shall obtain a bond, or equivalent proof of financial responsibility as described in paragraph (5), and continue in effect a surety bond or other equivalent proof of financial responsibility satisfactory to the municipal licensing authority in the amount of \$25,000 executed by a surety company authorized by the insurance department to transact business in the commonwealth. The bond or its equivalent shall be for the benefit of a person who purchases a vehicle from a Class 2 licensee, and who suffers loss on account of:?

(i) the dealer's default or nonpayment of valid bank drafts, including checks drawn by the dealer for the purchase of motor vehicles;

(ii) the dealer's failure to deliver, in conjunction with the sale of a motor vehicle, a valid motor vehicle title certificate free and clear of any prior owner's interests and all liens except a lien created by or expressly assumed in writing by the buyer of the vehicle;

(iii) the fact that the motor vehicle purchased from the dealer was a stolen vehicle;

(iv) the dealer's failure to disclose the vehicle's actual mileage at the time of sale;

(v) the dealer's unfair and deceptive acts or practices, misrepresentations, failure to disclose material facts or failure to honor a warranty claim or arbitration order in a retail transaction; or

(vi) the dealer's failure to pay off a lien on a vehicle traded in as part of a transaction to purchase a vehicle when the dealer had assumed the obligation to pay off the lien.

(2) Recovery against the bond or its equivalent may be made by any person who obtains a final judgment in a court of competent jurisdiction against the dealer for an act or omission on which the bond is conditioned if the act or omission occurred during the term of the bond. Every bond shall also provide that no suit may be maintained to enforce any liability on the bond unless brought within 1 year after the event giving rise to the cause of action.

(3) The bond or its equivalent shall cover only those acts and omissions described in clauses (i) to (vi), inclusive, of paragraph (1). The surety on a bond shall not be liable for total claims in excess of the bond amount, regardless of the number of claims made against the bond or the number of years the bond remained in force.

(4) A separate bond shall be required for each different name under which the dealer conducts his business and for each city or town in which the dealer has a place of business.

(5) In lieu of the bond required by this section, the municipal licensing authority may allow the dealer to deposit collateral in the form of a certificate of deposit or irrevocable letter of credit, as authorized by the banking laws of the commonwealth, which has a face value equal to the amount of the bond otherwise required. The collateral may be deposited with or executed through any authorized state depository designated by the commissioner. Interest on the certificate of deposit shall be payable to the dealer who has deposited it as collateral, or to a person as the dealer or the certificate may direct.

(6) A surety shall provide to the municipal licensing authority notice of cancellation of the bond within 30 days of the cancellation.

(7) Upon receipt of notification from a surety that a bond has been cancelled, the municipal licensing authority shall notify the licensee that he has 10 days to comply with the bonding

requirement. If the licensee does not comply within the 10 day period, the municipal licensing authority shall revoke the Class 2 license and shall notify the registrar who shall suspend or revoke any dealer plate issued to the licensee pursuant to section 5 of chapter 90.

(8) A municipal licensing authority shall not issue or renew a Class 2 license unless it is satisfied that a bond or equivalent proof of financial responsibility meeting the requirements of this section is in effect during the term under which the license shall be issued or renewed, and that the licensee maintains or demonstrates access to repair facilities sufficient to enable him to satisfy the warranty repair obligations imposed by section 7N1/4 of chapter 90. A used car dealer shall remain liable for all warranty repairs made and other obligations imposed by said section 7N1/4 of said chapter 90.

(d) Class 3. A person whose principal business is the buying of second hand motor vehicles for the purpose of remodeling, taking apart or rebuilding and selling the same, or the buying or selling of parts of second hand motor vehicles or tires, or the assembling of second hand motor vehicle parts may be granted a motor vehicle junk license.

(e) The registrar of motor vehicles, after consulting the office of consumer affairs and business regulation, shall adopt rules and regulations defining sufficient repair facilities for the purposes of subsection (b) and paragraph (8) of subsection (c).
