Re: 104 Winter Street, Belmont, MA
Special Permit Application

Dear Board Members:

We, the below-listed neighbors of Thomas, Liane and Martha Keister have reviewed their plans to renovate and expand their home at 104 Winter St, Belmont MA. The plans do not change the existing footprint of the home or extend any structure towards our property. We believe their project is in keeping with other homes on our street and will add value to the neighborhood. We support their petition for a special permit.

Thank You
