Nava Niv-Vogel: Liaison, Minute Taker

**RECEIVED
TOWN CLERK
BELMONT, MA**

DATE: June 10, 2021
TIME: 3:50 PM

It turned out to be too difficult to schedule a meeting for Nov. 30, so the meeting was delayed and posted in time for a meeting today. The the full council has reviewed the outline that was presented to them from this sub-committee. The full council agreed to take over development of the housing action plan using the basic goals set forth from this sub-committee. Those goals are to 1. Bring in ADUS to the town 2. Develop a guide for any resident interested in modifying their homes to make them more accessible and age friendly. Since the full council will be working on these goals the work of the sub-committee was completed today.

All minutes and notes were approved by consensus.

Respectfully submitted,
Nava Niv-Vogel,
Minute taker pro-tem
