Dear Historic Commission

My name is Andrew Leger and I live at 505 Pleasant St. in Belmont with my wife Jane and our two boys Ben (15) and Grant (12). We bought this house in 2011' following a full renovation. At that time there were brand new wooden gutters on the home. The wooden gutters have not held up well and after 11 years they have deteriorated to a point of falling apart. We would like to replace the gutters. We contacted a contractor, Bob Carlo, who has done a substantial amount of work in Belmont and in the historic district over the years. We could not secure fiberglass gutters from the "Fiberglass Gutter Company" and would now like to replace our wood gutters with copper gutters. I have included pictures of our current gutters and the proposed replacements later in this packet. Thank you for your consideration.

Sincerely yours,

Andrew Leger
