

COVID-19 Vaccination Interest Survey

The Belmont Health Department is currently planning more COVID-19 vaccination clinics for children ages 5-11, and booster clinics for individuals 16+.

In order to assess demand for upcoming local clinics, please fill out the survey below by answering a few short questions and leaving your contact information.

<https://forms.gle/xWaeJYNbmwFsD5ah6>

You will be contacted by the Health Department once details of these clinics are available.

If you are seeking a vaccine appointment, and are having trouble finding one, or do not want to wait for one of our clinics to be announced - we encourage you to take a look at:

<https://vaxfinder.mass.gov>

This is a website where you can search for vaccination appointments, and you can enter your own specifications to view appointments that would be appropriate for you.
