

COVID-19 Vaccination Interest Survey

The Belmont Health Department is currently planning more COVID-19 vaccination clinics for children ages 5-11, and booster clinics for senior residents 65+.

In order to assess demand for upcoming local clinics, please fill out the survey below by answering a few short questions and leaving your contact information.

<https://forms.gle/zi63Lcbgqxq1yTjS7>

You will be contacted by the Health Department once details of these clinics are available.
