Dear Neighbor,

My name is Kunal Shah. My wife Bhavika and I purchased the property on 168 Dean St. last year with hopes to renovate it for us and our two sons. We have plans ready that will require a special permit and we will present them to the zoning board at the next monthly meeting on March 15, 2022.

We plan to add a second story to the existing structure, and since the existing structure is in the setback a special permit is required. We think this home will make a great addition to the neighborhood and allow us to grow there as a family for the foreseeable future.

We hope that you support us in this project by signing our petition letter in support of the construction so we can take it to the board in order to approve the special permit.

If you have any questions, please feel free to reach out to us via phone or email.

Can you please sign below and send this back to us in the mail? Thank you

Sincerely,

Kunal & Bhavika Shah
