Re: 13 Grant Ave, Belmont

Dear Neighbor,

We are the owners of 13 Grant Avenue. We are in the process of applying for a special permit to erect a new construction 2 Family home on the site. The Zoning board will hear our case on July 19th 2022. The Town of Belmont will be advertising the meeting. We will be holding our own meeting at the site on Tuesday July 12 at 6pm to show renderings and plans and answer any questions from those interested.

Thank you,

Scott
