Subject: [EXTERNAL]support for Cal Verde's permit application

Dear Ara Yogurtian,

I am writing in support of Cal Verde's special permit for outdoor signage to be addressed at tonight's (Dec. 6) Planning Board meeting. This business will bring a 3% local sales tax and much needed economic development to our town, especially on that often neglected Pleasant Street corridor. I hope the town will allow them the outdoor signage their business needs to be successful.

Thank you very much.

Best wishes,

Jessica Barnard
