Hi I am an abutting neighbor at 7 Grant ave and oppose the proposed structure and special permit request to convert the single family home to a two family at 13 Grant ave.

Converting a single family to a two family is going to create increased density (think sardine can and freight train), change the character of the street, take away outdoor green living space and create even more parking issues on the street.

I hope the planning board does not approve the special permit

Maria Stamoulos
7 Grant ave, Belmont MA 02478
