**Importance:** High

Robert,

I regrettably must request that the Planning Board continue this coming Tuesday August 17<sup>th</sup>'s Public Hearing on my Design and Site Plan application on Zone 3 of the McLean District until Thursday September 9<sup>th</sup>.

The late publication of the BSC peer review letters on stormwater and traffic coupled with scheduled vacations of certain important Team Members will not permit the next scheduled subject matter topics to be thoroughly reviewed and comprehensively responded to between now and Tuesday August 17<sup>th</sup>.

I therefore ask that the Board vote to continue the Public Hearing to September 9<sup>th</sup>, without any other deliberation(s).

Please acknowledge receipt.

Respectfully,

Jack Dawley
