

Hello.

We are your neighbors, Michele and Jonathan Britt, of 28 Pierce Road, the white house on the corner of Brettwood Road. On September 19, 2022, we submitted a Special Permit Application to the Belmont Planning Board to renovate our house.

Proposed renovations include: moving the garage over two feet to meet the 10 foot side setback zoning requirement, and moving the garage forward closer to Pierce Rd; adding a 4th bedroom above the garage as living space; and enclosing our existing 9' x 12.5' rear porch as living space, and extend this single story addition across the back of the house, for a larger family room and kitchen, mud room, and home office.

The Town's Zoning By-Law requires consultation with those that will be substantially impacted by the proposed project. If you are willing to support our application for this special permit, we are grateful, and we sincerely hope you will return this letter to us with your consent.

If you would like more information, we would be glad to talk to you and to answer your questions either in person, by phone, or by email. House phone 617-484-3749, or email to JBritt67@gmail.com
