

# **Preliminary Rink Design Committee**

**Members:** The Committee is comprised of the following seven (7) members

- 1) Four (4) Members of the Viglirolo Ice Skating Rink Financing Committee
- 2) Three (3) Members of the Permanent Building Committee

**Length of Term:** **Until Town Meeting Approves a Building Committee and is Appointed by the Town Moderator**

**Charge Approved:** **December 6, 2021**

**Purpose:** The Preliminary Rink Design Committee is to begin planning a feasibility study and design of a new Ice-Skating Rink, until a Building Committee can be appointed by Town Meeting, preferably in the Spring.

**Objectives:**

The Committee will begin the design process for the Town's Ice-Skating Rink by recommending an Owners Project Manager (OPM), recommending an Architect to get to 30% design until it can hand off its work to a building committee that is approved by Town Meeting, and appointed by the Town Moderator.
