

REQUEST FOR PROPOSALS

For the Disposition of Municipally Owned Property at

108 WOODFALL ROAD

(ASSESSORS MAP 69, PARCEL 44)

BELMONT, MASSACHUSETTS

September 16, 2013

AMENDMENT 1

Additional Information –

An electronic acad file is available with survey data to help assist in replicating the wetlands delineation in the field. Please contact the Office of Community Development – Glenn R. Clancy, 617-993-2650 if you are interested in receiving this information.

Development of the individual house lots is subject to the determination of Grade as defined in the Town of Belmont Zoning By-law. For the purposes of this requirement, the Inspector of Buildings will not consider isolated mounds of material and will focus on the best representation of the natural terrain of the lots.

Order of Conditions (OOC) – If construction is not complete at the site before the OOC expires a request for an extension of the OOC must be made to the Belmont Conservation Commission at least 30 days prior to the expiration date of September 9, 2014.

If you intend to submit a proposal, due 12:00 PM on Thursday October 31, 2013, you must submit a signed copy of this amendment along with your proposal.
