

Recreation Program Cancellation Policy

Approved by the Recreation Dept. November 18, 2014

All Recreation programs are subject to change or cancellation due to unforeseen circumstances. The Recreation Department reserves the right to cancel classes that are under-enrolled, in which case we will refund your payment.

If you or your child should change your mind about a program:

- There is a \$25.00 cancellation fee per program, before the start of the program
- Refunds are not given after the start of a program

Only the Recreation Program Supervisor has the authority to review requests for refunds, and only in extraordinary circumstances. Refunds are not guaranteed. Refunds will not be given if a child misses classes.
