- No meeting was held as there was no quorum. The members in attendance held a preliminary discussion concerning the development of the Library FY 2012 budget on an informational basis with Maureen Conners, Executive Director, and Hal Shubin of the Board of Library Trustees. The matters discussed included an updated Library organizational chart, the further development of a program-based budget and related activity indicators, the Sunday openings scheduled to begin in January 2012, and the Library's plans for maintaining its State certification in 2012.
