## **COMMUNITY PATH IMPLEMENTATION ADVISORY COMMITTEE On Behalf of the Board of Selectmen**

### NOTICE OF A FEASIBILITY STUDY PUBLIC MEETING

The Town's Community Path consultant will hold a Feasibility Study meeting on Wednesday, March 8, at 7:00 PM (project materials will be available for review at 6:30 PM) in the Town Hall Auditorium (455 Concord Avenue).

The meeting will focus on the Eastern End of the Path (Belmont Center Railroad Bridge to Brighton Street) and will discuss the second phase of the Feasibility Study:

- The criteria for the matrix that will help determine a recommended Community Path, and
- Costs associated with the alignments.

The purpose of the meeting will be to present the consultant's conceptual design for the alternatives carried forward from the CPAC, as well as potential alternates, for each segment discussed at the meeting. All views and comments made at the meeting will be reviewed and considered to the maximum extent possible.
