PLANNING BOARD

**On Site Meeting at the Bradford
(formerly Cushing Village)**

**Saturday, September 29
12:00-2:00 PM**

Members of the Planning Board will attend a public on-site meeting at the Bradford (formerly Cushing Village) development on Saturday, September 29, from 12:00-2:00 pm in order to review a mock-up of building materials for all three of the buildings (Hyland, Pomona, and Winslow) that comprise the Bradford development project.

The mock-up is located behind the Winslow, which is the building currently under construction at the corner of Williston and Trapelo Roads. The meeting will be held at this location, and public access will be made available mid-block off of Williston Road between the hours listed above.

Please note that this meeting is to provide the public and the Planning Board an opportunity to review the mock-up. The Planning Board will not be voting on the materials at this meeting.

Toll Brothers will have renderings of the buildings on-site for the meeting and has provided the Office of Community Development (OCD) with materials boards, which are available for public view at 19 Moore Street during Town office hours.
