**Subject:** parking spot change (Trapelo Road) (\*second submission)

I am requesting to add-to or change the parking spot signage at approximately 450 Trapelo Road (Across from the old fire station). Currently it states no parking before 830. The current signage was clearly to prevent commuter parking and/or allow an area for drop off of students on Trapelo that attend Butler Elementary. To date the active parking before 830 has not been enforced Even after many weekly emails since May 2017. Currently most spots are being used as all day commuter parking spots. I am a Belmont resident and I have a business on Trapelo Road. These spots specifically effect my business as well as the ability of consumers to frequent all the businesses in the area. I would like to see the no parking before 830 stay but would request all the spots be made consistent with the surrounding areas of 1 hour parking thereafter.

Lastly, it would be helpful in the mean time to have officers enforce the current signage.

Respectfully Submitted,

Timothy Flood
