PLANNING BOARD

**ON SITE MEETING AT THE BRADFORD
(formerly Cushing Village)**

SATURDAY, DECEMBER 1, 2018

Members of the Planning Board will attend a public on-site meeting at the Bradford (formerly Cushing Village) development on Saturday, December 1, 2018, from 1:00 pm – 2:00 pm in order to review a revised mock-up of building materials for all three of the buildings (Hyland, Pomona, and Winslow) that comprise the Bradford development project.

The revised mock-up is located behind the Winslow, which is the building at the corners of Williston and Trapelo Roads. The meeting will be held at this location, and public access will be made available mid-block off of Williston Road between the hours listed above.

Please note that this meeting is to provide the public and the Planning Board an opportunity to review the revised mock-up. The Planning Board will not be voting on the materials at this meeting.

Toll Brothers, the developers, will have renderings for the buildings on-site for the meeting and will provide the Office of Community Development (OCD) with materials boards, which will be available for public view at 19 Moore Street, on Monday, December 3 during regular office hours
