

Electrify Your Home | Energize Your Health

A Home Electrification Zoom Event Hosted by the Energy Committee

Thursday, April 29, 2021 | 7:00 P.M.

The Belmont Energy Committee invites you to attend a remote event to learn about new, affordable technologies to move your home off of fossil fuels and onto clean, efficient electricity.

Come hear about home electrification in Belmont and see live demonstrations from inside Belmont homes. Have your questions answered by real home owners.

Agenda

- ***Building electrification & Belmont's climate goals***
- ***Health benefits of electrification***
- ***Demos of home electrification technologies, including:***
 - ***Electric heat pumps for home heating and cooling***
 - ***Electric induction stoves for cooking***
 - ***Solar and electric heat pump water heaters***
- ***Available rebates from Belmont Light***

***Thursday, April 29
7:00 P.M.***
