

Belmont: Electrify Your Home and Save!

Wednesday, June 22, 2022 | 7:00 P.M.

Interested to learn from your Belmont neighbors on the financial and health benefits and adoption choices for electrifying your home?

Please join us Wednesday, June 22nd at 7:00pm, from the comfort of your home, through Zoom.

See demonstrations, learn about these technologies, and ask questions from early adopters:

- Heat pump home cooling/heating***
- Heat pump / solar water heaters***
- Skip the gas: battery-powered lawn mowers & snow-blowers***
- Pairing an electric vehicle with rooftop solar***
- Electric induction stovetops***

Find out about electrification programs and rebates through Belmont Light.

Sponsored by Belmont Light and your Belmont Energy Committee

Belmont Energy Committee:

Marty Bitner & James Booth co-Chairs

Claus Becker, Francesca Kitsch, Brian Kopperl, Greg Piotrowicz, Alex Thurston, Roger Wrubel
