AGENDA

1. Approve Previous Meeting Minutes
2. Are we ready to make a recommendation on whether or not to keep CivicPlus or go with Granicus or another vendor (Is there any additional criteria/considerations/information needed for us to make a vendor recommendation)
 - 2 A. If going with another vendor, discuss going out to bid/RFP process and assign roles
3. Have we fully identified the website modifications we'll be recommending? We may not have fully spec'd out all the modifications but we should start to get a document going that captures those elements based on our meetings to date.
