

FIRESIDE CHAT

CYBER SECURITY MONDAY, OCTOBER 30TH 7-8PM ASSEMBLY ROOM

Belmont Public Library
336 Concord Ave
Belmont, MA 02478

Gather round cyber security expert **Scott Donnelly** to discuss:

- the latest news in cyber security and why it matters to you;
- cyber threats you might face at home;
- tips for protecting yourself online.

About the speaker:

Tackling national and corporate security issues for over a decade, Scott is the Director of Technical Solutions at Recorded Future and a former officer with the Central Intelligence Agency. Scott and his team work closely with leading cyber security teams at Fortune 1000 companies and government organizations, where they help develop cyber threat intelligence capabilities for threat hunting, risk mitigation, and incident response. Scott is a sought after speaker at cyber security events and regularly contributes to recordedfuture.com's blog. He holds an MBA from Georgetown University and a BA in Political Science from Villanova University.

Scott Donnelly

Sponsored by the Belmont IT Advisory Committee.
