

## **PUBLIC FORUM #2: THE FUTURE OF BELMONT LIGHT GOVERNANCE**

### **How do you want your community owned electric utility to be governed?**

Following a first public forum in December, the Municipal Light Board (MLB) will hold a second public forum to discuss:

- The number of members that a future MLB will be made up of.
- Any other ideas that Belmont Light customers want to discuss related to the MLB makeup.

This public forum will be held via remote meeting.
