Belmont Community Path Phase 2

MOVING FORWARD

THURSDAY, MAY 18TH 7:00 - 9:00 PM

> **ONLINE & AT TOWN HALL** IN THE SELECT BOARD MEETING ROOM

> > 1/000

0

455 Concord Avenue Belmont, MA 02478

Join us at the first Forum for the Belmont Community Path Phase 2 project.

At this presentation and listening session, the Belmont CPPC and consultant team from Pare Corporation will provide a brief overview of the project, a summary of the community input received thus far, and project work to date, including the draft route recommendation.

Your input at this meeting will provide guidance for the development of the project. This will be a hybrid meeting – see the town calendar for the login link.
