MEETING MINUTES

June 20, 2016

Present: Russell Leino, Chair; Brian Burke, Sr.
Absent: Michael Cicalese, Heather Ivester, Vincent Stanton
Staff: Jeffrey Wheeler, Office of Community Development

8:20 a.m. Meeting began

Unfortunately a formal meeting was not held because a quorum was not present.

Mr. Wheeler did review an agenda for the June 22 meeting with the consultant, Pare Corporation. He explained the purpose of the meeting and that it should really focus on reviewing the path segments. Mr. Leino also mentioned that a discussion on Pare's approach to conducting the feasibility study was important to better understand how they will do their work. Mr. Burke questioned how the Committee will conduct site visits and hoped that these would take place this summer.
