7:05 p.m. Meeting Called to Order

The meeting opened with a special presentation to former Recreation Commissioner Richard Wright in appreciation of his 15 years of service to the Town of Belmont

An update on the request for upper gym use by the new Youth Wrestling group was given. They should be able to begin the program this month.

A discussion was held on the Youth Hockey programs. The Commission expects the numbers to increase for this program, but will consider other options for some of the ice time if they do not.

A discussion was held on the unauthorized use of a field by an outside group. The Director was instructed to contact this group by letter to inform them that this cannot be repeated.

The Director reviewed all of the school year programs currently underway. He updated the members on the special programs and events planned for the school holiday vacation week at the end of December.

A review of the FY 07 budget was held. The Department is hopeful of receiving the amount requested on level service so that the current schedule of programs can be maintained and that new programs can possibly be added.

At the end of the meeting, everyone enjoyed holiday refreshments provided by members Stephanie King, MaryAnn Johnson, Noreen Millane and Kathy Ruane.
