3. The members reviewed an initial draft of its subcommittee report, dated April 11th. The members discussed how to add to the narrative presentation, to help the intended readers — the Town Meeting members — to take in and interpret the data and analysis presented. The members identified items for verification and for re-statement. The members agreed to review another draft on April 20th, with the hope and expectation that the subcommittee would be ready to request comments from the School Committee Finance Subcommittee. The members identified a few items which JG could check with the School Department's Director of Finance, Business and Operations, Anthony DiCologero.
4. The meeting was adjourned at 9:03 am.
