

Spring COVID-19 Vaccine Clinic for Seniors

The Belmont Health Department is partnering with Osco Pharmacy to provide COVID-19 vaccines to eligible senior Belmont residents this Spring.

- The CDC recently recommended that adults ages 65+ receive another dose of COVID vaccine this spring, as long as its been 4+ months since the last dose received
- Talk to your doctor if you have questions about your vaccine eligibility

Belmont's vaccine clinic will be held on:

Friday March 22

From 9 AM to 12 PM

at

The Beech Street Center

266 Beech Street, Belmont

Register below or with above QR code:
