COVID-19 Vaccine Clinic

The Belmont Health Department is offering COVID-19 vaccines to eligible residents in partnership with VaxinateRX. Pfizer and Moderna vaccines will be available as detailed below:

Bivalent COVID vaccine/booster available for anyone eligible, ages 3+ (At our clinics, Pfizer is available for 3+, and Moderna is available for 12+)

Current CDC/FDA Vaccine Recommendations:

- 6+ years old: 1 bivalent mRNA dose. Regardless of vaccine history.
- 6 months through <6 years old:
  - Moderna: at least 2 doses, including at least 1 bivalent dose.
  - Pfizer:
    - 5 years: 1 bivalent dose.
    - 6 months through <5 years old: at least 3 doses, including at least 1 bivalent dose.
- In addition, people may now choose to receive an additional optional spring dose if:
  - 65 years of age and older and got a first bivalent (updated) COVID-19 vaccine booster 4 or more months ago.
  - Moderately or severely immunocompromised and received a bivalent (updated) COVID-19 vaccine booster 2 or more months ago.

Please bring your insurance (medical and prescription) and COVID-19 vaccination cards to the clinic.
COVID vaccines are free for all regardless of insurance coverage

Belmont's vaccine clinic will be held on:
Monday June 5, 2023
From 4 PM to 6 PM

at

Belmont Town Hall Conference Room 1 455 Concord Ave

By Appointment Only!
