

The Belmont MBTA Communities Advisory Committee Forum

Town of Belmont and MAPC invite you to join us for the third public forum related to the MBTA Communities Act. A community-driven effort that is developing zoning recommendations that facilitate progress towards expanded housing opportunity and compliance with the Multifamily Zoning Requirement of the MBTA Communities Act. Come learn about the process and provide feedback to help shape the future of our community.

This forum will be the second of a two-part series.

In Part 2, scheduled for 2/15/24, a presentation will be given to share the next iteration of options for compliance for the community to provide feedback.

Part 1 was hosted on 1/29/24 and included a presentation to review requirements of the MBTA Communities Act, the process to date, and the in-progress iterative solutions. A recording of the event and presentation materials can be reviewed at the project webpage below.
