

Belmont Opioid Abatement: Survey and Communications List

The Massachusetts Attorney General has reached multi-billion dollar resolutions with opioid producers and distributors that aim to address the opioid crisis by providing funds for prevention, treatment, and recovery. The Town of Belmont will receive funds from these settlements over a 17-year period. We value your input to allocate these funds in an effective and thoughtful manner.

SURVEY

Please take a few minutes to fill out the Health Department's survey on Opioid resources in Belmont:
