ORGANIZATIONAL CHART

Below is an organizational chart which classifies departments with regard to budget function which differs in some cases from reporting structure. Elected Department Heads and Boards identified with an asterisk and maintain management authority over their respective departments. Department Heads who are elected include the Town Treasurer and the Town Clerk. Departments with elected management Boards include the Cemetery Division, Health Department, Assessors Office, and Belmont Public Library. Please note that space restrictions prevent all appointed committees and boards from being listed independently but they derive power from their appointing authority.

Notes:

- * Elected directly by the voters in annual Town elections. When in reference to a Department, the Department Head or Board is elected and has management authority over the department. Placement on this chart only reflects budget function.
- **Regional Organization of which Belmont is a Member Community. Governed by a Committee on which Belmont has representation.
- *** Department in which the Board of Selectmen acts as the managing board.

Glossary of Key Terms

Abatement - A complete or partial cancellation of a tax levy imposed by a governmental unit as administered by the local Board of Assessors.

Accounting System - A system of financial recordkeeping which records, classifies, and reports information on the financial status and operation of an organization.

Accrual Basis - The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.

Adopted Budget - The resulting budget approved by Town Meeting.

Advance Refunding Bonds - Bonds issued to refund an outstanding bond issue prior to the date on which the outstanding bonds become due or callable. Proceeds of the advance refunding bonds are deposited in escrow with a fiduciary, invested in U.S. Treasury Bonds or other authorized securities, and used to redeem the underlying bonds at maturity or call date and to pay interest on the bonds being refunded or the advance refunding bonds.

Allocation - The distribution of available monies, personnel, buildings and equipment among various Town departments, divisions or cost centers.

Annual Budget - Estimate of expenditures for specific purposes during the fiscal year (July 1 - June 30) and the proposed means for financing those activities using revenues.

Appropriation - An authorization by the Town to make obligations and payments from the treasury for a specific purpose.

Arbitrage - Investing funds borrowed at a lower interest cost in investments providing a higher rate of return.

Assessed Valuation - A valuation set upon real or personal property by the board of assessors as a basis for levying taxes.

Audit - A study of the Town's accounting system to ensure that financial records are accurate and in compliance with all legal requirements for handling of public funds, including state law and city charter.

Availability - Available Square Feet divided by the Net Rentable Area.

Balanced Budget - A budget in which receipts are greater than (or equal to) expenditures required by statute for all Massachusetts cities and towns. A balanced budget is a basic budgetary constraint intended to ensure that a government does not spend beyond its means and its use of resources for operating purposes does not exceed available resources over a defined budget period.

Basis of Accounting - Basis of accounting refers to when revenues and expenditures or expenses are recognized in accounts and reported on financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

Bond - A written promise to pay a specified sum of money, called the face value (par value) or principal amount, at a specified date or dates in the future, called maturity date(s), together with periodic interest at a specified rate. The difference between a note and a bond is that the latter runs for a longer period of time.

Bond Anticipation Notes - Notes issued in anticipation of later issuance of bonds, usually payable from the proceeds of the sale of the bonds or of renewal notes.

Bonds Authorized and Unissued - Bonds that a government has been authorized to sell but has not sold. Issuance at this point is only contingent upon action by the treasurer.

Bond Counsel - An attorney or law firm engaged to review and submit an opinion on the legal aspects of a municipal bond or note issue.

Bond Issue - The sale of a certain number of bonds at one time by a governmental unit.

Budget (Operating) - The operating budget is a plan of financial operation including an estimate of proposed expenditures for a defined period and the proposed means of financing expenditures.

Budget Basis of Accounting - The Town's General Fund budget is prepared on a basis other than generally accepted accounting principles (GAAP). The actual results of operations are presented on a "budget (cash) basis" to provide a meaningful comparison of actual results with the budget.

Budget Calendar - The schedule of key dates or milestones a government follows in the preparation and adoption of the budget.

Budget Message - A general discussion of the submitted budget presented in writing by the Town Administrator as part of the budget document.

Capital Budget - The Capital Budget is a plan of proposed outlays for acquiring long-term assets and the means of financing those acquisitions during the current fiscal period.

Capital Expenditures - Expenditures which result in the acquisition or addition to fixed assets.

Capital Improvements Program - A comprehensive schedule for planning a community's capital expenditures. It coordinates community planning, fiscal capacity and physical development. While all of a community's needs should be identified in the program, there should also be a set of criteria that prioritizes expenditures. A capital program is a plan for capital expenditures that extends four years beyond the capital budget and is updated yearly.

Cash Basis of Accounting - Revenues recorded when cash is received and expenses are recognized when cash is paid out.

Charges for Service - (Also called User Charges or Fees) The charges levied on the users of particular goods or services provided by local government, requiring individuals to pay for the private benefits they receive. Such charges reduce the reliance on property tax funding.

Cherry Sheet - A form showing all state charges and reimbursements distributed to the Town as certified by the state director of accounts. Years ago this document was printed on cherry colored paper.

Community Preservation Act - On November 2, 2010, residents of Belmont accepted the Community Preservation Act (CPA) which allows the Town to impose a surcharge of 1.5% on real estate taxes. Property exempt from this tax includes the first \$100,000 of residential property as well as certain low-income properties. By enacting the CPA, the Town will receive the maximum available matching funds from the state. Proceeds from both the amount raised by the Town and the amount matched by the State will be used to fund renovations to, and the construction of affordable housing, open space acquisition and historic preservation.

Cost-Benefit Analysis – A decision-making tool that allows a comparison of options based on the level of benefit derived and the cost incurred for each different alternative.

Cost Center - The lowest hierarchical level of allocating monies, often referred to as a program, project or operation.

Debt Authorization - Formal approval to incur debt by municipal officials, in accordance with procedures stated in M.G.L. Ch. 44, specifically sections 2, 3, 4 and 6 through 15.

Debt Burden - The debt burden is the level of debt of an issuer, usually as compared to a measure of value (debt as a percentage of assessed value, debt per capita, etc.). Sometimes debt burden is used in referring to debt service costs as a percentage of the annual budget.

Debt Limits - The general debt limit of a city or town consists of the normal debt limit, which is 5% of the valuation of taxable property and a double debt limit, which is 10% of that valuation. Cities and towns may authorize debt up to the normal limit without state approval, while debt up to the double debt limit requires state approval. It should be noted that there are certain categories of debt which are exempt from these limits.

Debt Service - Payment of interest and repayment of principal to holders of a government's debt instruments.

Deficit or Budget Deficit - The deficit or budget deficit occurs when there is an excess of budget expenditures over receipts/revenues. The city charter requires a balanced budget.

Department - A principal, functional and administrative entity created by statute and/or the Board of Selectmen to carry out specified public services.

Departmental Accomplishments - Completion of a goal or activity that warrants announcement by one or more department.

Encumbrance - Obligations in the form of purchase orders and contracts which are chargeable to an appropriation and are reserved. They cease to be encumbrances when paid or when an actual liability is set up.

Enterprise Fund - A fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent is that the full cost of providing the goods or services be financed primarily through charges and fees thus removing the expenses from the tax rate.

Equalized Valuations - (EQVs) The determination of the full and fair cash value of all property in the Commonwealth that is subject to local taxation. EQVs have historically been used as variables in distributing certain state aid accounts, and for determining county assessments and certain other costs. The Commissioner of Revenue, in accordance with M.G.L. Ch. 58, s. 10C, is charged with the responsibility of biennially determining an equalized valuation for each town and city in the Commonwealth.

Excess Levy Capacity - The difference between the levy limit and the amount of real and personal property taxes actually levied in a given year. Annually, the Board of Selectmen must be informed of excess levying capacity and evidence of their acknowledgement must be submitted to DOR when setting the tax rate.

Expenditures - The amount of money, cash or checks actually paid or obligated for payment from the treasury.

FY16 Actual - FY16 actual numbers provided by departments based on the departments' internal tracking methods.

FY17 Budget - Numbers stated in the FY17 budget document as the FY17 proposed figure for the performance measure. An "n/a" indicates a new measure or one previously not budgeted.

FY17 Projected - Estimate of what will be achieved in FY17 based on year-to-date performance.

FY18 Budget - Estimated FY18 performance set by the departments.

Fiduciary Fund - Repository of money held by a municipality in a trustee capacity or as an agent for individuals, private organizations, other governmental units and other funds. These include expendable trusts, non-expendable trusts, pension trusts and other agency funds.

Financing Plan - The estimate of revenues and their sources that will pay for the service programs outlined in the annual budget.

Financial Task Force – FTF – The Task Force was formed by the Board of Selectmen to develop a long term financial and capital plan.

Fiscal Year - The twelve month financial period used by all Massachusetts municipalities, beginning July 1 and ending June 30 of the following calendar year. The fiscal year is identified by the year in which it ends.

Free Cash - (Also Budgetary Fund Balance) Funds remaining from the operations of the previous fiscal year which are certified by DOR's director of accounts as available for appropriation. Remaining funds include unexpended free cash from the previous year, receipts in excess of estimates shown on the tax recapitulation sheet and unspent amounts in budget line-items. Unpaid

property taxes and certain deficits reduce the amount of remaining funds which can be certified as free cash.

Full and Fair Market Valuation - The requirement, by State law, that all real and personal property be assessed at 100% of market value for taxation purposes. "Proposition 2½" laws set the Town's tax levy limit at 2½% of the full market (assessed) value of all taxable property.

Fund - A set of interrelated accounts which record assets and liabilities related to a specific purpose. Also a sum of money available for specified purposes.

Fund Accounting - Governmental accounting systems should be organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

Fund Balance - The excess of assets of a fund over its liabilities and reserves.

GASB 34 - A major pronouncement of the Governmental Accounting Standards Board (GASB) requires a report on overall financial health, including trends, prospects for the future, cost of delivering services and value estimates on public infrastructure assets.

General Fund - The major municipality-owned fund, which is created with City receipts and which is charged with expenditures payable from such revenues.

Generally Accepted Accounting Principles (GAAP) - A set of uniform accounting and financial reporting rules and procedures that define accepted accounting practice.

General Obligation Bonds - Bonds issued by a municipality which are backed by the full faith and credit of its taxing authority.

Geographical Information System (GIS) - Computerized mapping system and analytical tool that allows a community to raise and sort information on a parcel, area or community wide basis.

Goal - A proposed course of action toward which departmental effort is directed.

Governmental Funds - Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service funds, capital projects funds and permanent funds.

Grant - A contribution of assets by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal government. Grants are usually made for specific purposes.

Hotel/Motel Excise - Allows a community to assess a tax on short-term room occupancy at hotels, motels and lodging houses, as well as convention centers in selected cities.

Interest - Compensation paid or to be paid for the use of money, including interest payable at periodic intervals or as a discount at the time a loan is made.

Interfund Transactions. Payments from one administrative budget fund to another or from one trust fund to another, which results in the recording of a receipt and an expenditure.

Intrafund Transactions - Financial transactions between activities within the same fund, an example would be a budget transfer.

License and Permit Fees - The charges related to regulatory activities and privileges granted by government as defined in bylaw and regulat

Levy Limit - The maximum amount of tax a community can levy in a given year. The limit can grow each year by 2.5 percent of the prior year's levy limit (M.G.L. Ch. 59, s. 21C (f,g,k)), plus new growth and any overrides. The levy limit can exceed the levy ceiling only if the community passes a capital expenditure exclusion, debt exclusion or special exclusion.

Line-Item Budget - A format of budgeting which organizes costs by type of expenditure such as supplies, equipment, maintenance or salaries.

Massachusetts Water Pollution Abatement Trust (MWPAT) - A statewide revolving fund that commenced operations in 1990 to address necessary environmental actions outlined in the Federal Clean Water Act. This fund revolves by the MWPAT issuing large pooled bond issues for various environmental construction projects and then loaning these funds to communities, with subsidies from the state reducing the debt service payments for these communities.

Meals Excise - Local excise option which allows communities to assess a sales tax on sales of restaurant meals originating in the city by a vendor.

Modified Accrual Basis - The accrual basis of accounting adapted to the governmental fund type, wherein only current assets and current liabilities are generally reported on fund balance sheets and the fund operating statements present financial flow information (revenues and expenditures). Revenues are recognized when they become both measurable and available to finance expenditures in the current period. Expenditures are recognized when the related fund liability is incurred, except for a few specific exceptions. All governmental funds and expendable trust funds are accounted for using the modified accrual basis of accounting.

N/A - The information is not available or not applicable.

Non-Tax Revenue - All revenue coming from non-tax sources including licenses and permits, intergovernmental revenue, charges for service, fines and forfeits and other miscellaneous revenue.

Official Statement - A document prepared for potential investors containing information about a prospective bond or note issue and the issuer.

Overlay - The amount raised by the assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements and exemptions.

Pay-As-You-Go Funds - The appropriation of current revenues, including Property Taxes and Free Cash, to fund capital improvements, as opposed to incurring debt to cover the costs.

Performance Based Budget - A budget that bases expenditures primarily upon measurable performance of activities and work programs. A performance budget may also incorporate other bases of expenditure classifications, such as character and object class, but these are secondary to activity performance.

Performance Measure - An instrument for determining the amount or degree a department or division executes an action or task; the degree of goal fulfillment achieved by programs.

Performance Standard - A statement of conditions that exists when a job is well done.

Policy - A definite course of action adopted after a review of information, and directed at the realization of goals.

Procedure - A method used in carrying out a policy or plan of action.

Program - Collections of work-related activities initiated to accomplish a desired end.

Program Budget - A budget format which organizes expenditures and revenues around the type of activity or service provided and specifies the extent or scope of service to be provided, stated whenever possible in precise units of measure.

Proposition 2½ - A statewide tax limitation initiative petition limiting the property tax levy in cities and towns in the Commonwealth to 2½ percent of the full and fair cash valuation of the taxable real and personal property in that city or town. The statute also places an annual growth cap of 2½ percent on the increase in the property tax levy.

Purchase Order - A document issued to authorize a vendor or vendors to deliver specified merchandise or render a specified service for a stated or estimated price. Outstanding purchase orders are called encumbrances.

Purpose & Overview - A short description of a Town department or division describing the charges and/or functions of that particular department or division.

Rating Agencies - This term usually refers to Moody's Investors Service, Standard and Poor's Corporation and Fitch Ratings. These are the three major agencies that issue credit ratings on municipal bonds.

Refunding Bonds - Retirement of an existing bond issue through the sale of a new bond issue when interest rates have fallen, issuers may want to exercise the call feature of a bond and replace it with another debt instrument paying a lower interest rate.

Registered Bonds - Bonds registered on the books of the issuer as to ownership; the transfer of ownership must also be recorded on the books of the issuer. Recent changes in federal tax laws mandate that all municipal bonds be registered if their tax exempt status is to be retained.

Reserves - An account used to indicate that portion of fund equity which is legally restricted for a specific purpose or not available for appropriation and subsequent spending.

Reserve for Contingencies - A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

Revaluation - A reasonable and realistic program to achieve the fair cash valuation of property, in order to ensure that each taxpayer in the community pays his or her share of the cost of local government in proportion to the value of their property.

Revenue - Additions to the Town's financial assets (such as taxes and grants) which do not in themselves increase the Town's liabilities or cancel out a previous expenditure. Revenue may also be created by cancelling liabilities,

provided there is no corresponding decrease in assets or increase in other liabilities.

Revolving Fund - A fund established to finance a continuing cycle of operations in which receipts are available for expenditure without further action by the Board of Selectmen.

Service Level - The extent or scope of the Town's service to be provided in a given budget year. Whenever possible, service levels should be stated in precise units of measure.

Service Program - A planned agenda for providing benefit to citizens.

Significant Budget Modification - An increase or decrease of a departmental budget of such importance that highlighting is necessary.

Submitted Budget - The proposed budget approved by the Board of Selectmen and forwarded to Town Meeting for their approval. The Council must act upon the submitted budget within prescribed guidelines and limitations according to statute and the Town charter.

Supplemental Appropriations - Appropriations made by Town Meeting after an initial appropriation, to cover expenditures beyond original estimates.

Tax Anticipation Notes - Notes issued in anticipation of taxes, which are usually retired from taxes collected.

Tax Rate - The amount of tax levy stated per \$1,000 in value of the tax base. Prior to a 1978 amendment to the Massachusetts Constitution, a single tax rate applied to all of the taxable real and personal property in a city or town. The 1978 amendment allowed the legislature to create three classes of taxable property:

Town of Belmont
Town Administration's Fiscal Year 2018 Budget Recommendation

February 13, 2017

1) residential real property, 2) open space land, and 3) all other (commercial, industrial and personal) property, each of which may be taxed at a different rate. Within limits, cities and towns are given the option of determining the share of the levy to be borne by the different classes of property. The share borne by residential real property must be at least 65% of the full rate. The share of commercial, industrial and personal property must not exceed 175% of the full rate. Property may not be classified until the state department of revenue has certified that all property has been assessed at its full value.

Unit Cost - The cost required to produce a specific product or unit of service. For example, the cost of providing 100 cubic feet of water or the cost to sweep one mile of street.

Unrestricted General Government Aid (UGGA) - The components of local aid including additional assistance and lottery aid, which were combined into this one category, UGGA.

Valuation (100%) - A requirement that the assessed valuation must be the same as the market value for all properties.
