# COVID-19 Vaccine Clinic

The Belmont Health Department is offering COVID-19 vaccines to eligible residents, including primary and booster shots. This clinic will be operated through a partnership between VaxinateRX and the Belmont Health Department, Pfizer and Moderna vaccines will be available as detailed below:

By Appointment Only!

- Primary vaccine series for anyone ages 3+ (At our clinics, only Pfizer is available for those under the age of 18)
- *Bivalent booster of Pfizer or Moderna COVID vaccine for anyone 3+ eligible who has completed a primary vaccine series of any authorized COVID-19 vaccine at least 2 months after last dose or last booster dose
- Flu shots will be available for ages 3+

Find full guidance on booster eligibility here.

Please bring your insurance (medical and prescription) and COVID-19 vaccination cards to the clinic.
- COVID vaccines are free for all regardless of insurance coverage
- Insurance is required for flu vaccines
- For those covered by Medicare please bring your red, white, and blue Medicare card in addition to any other insurance cards

Belmont's vaccine clinic will be held on:
Thursday January 12
From 10 AM to 12 PM
